Summary notes from the 2nd Meeting of the Aldridge Parents Consultation Committee (Thursday 8th October 2009)

Parent 3 staff and 47 parents

Topics covered

Curriculum modelling

Qualifications

Collaboration and partner schools

There was broad agreement that the school must keep a clear eye on the areas of previous success, student achievement, broad intake and academic excellence.

With these as the central tenets the three items were discussed and areas of interest covered. The detailed notes will be released at the next meeting.

The group agreed to look at the Kirkland Rowell survey data (see data on website) to consider reasons for varied responses by parents and students. This and Maths will be the main discussion topics for the next half term meeting, followed by Rewards and behaviour, SEN and community issues at following meetings.

We are grateful for the support and challenge of this group, if you wish to be included in the mailing list please contact the Mrs Welsh on 01922 743988 ext 224 or e-mail postbox@aldridge.walsall.sch.uk
