

Notes of APCC meeting held Thursday 25 November 2010

Thirty three parents and five staff present.

Agenda

Rewards and Consequences

The groups discussed the Rewards and Consequences policy launched in September 2010. There was generally a positive response to the clarity of the document and its response to a range of issues. Questions asked were:

- i) How will success be measured?
This will be by student survey, and behaviour logs
- ii) Who is monitoring rewards?
All staff but particularly Mr Evans
- iii) Heads award should be presented by the Head
- iv) Vouchers are a good idea.

Communication

We showed the parents the developing parent access to their student files on-line. This will be trialled with members of the APCC and then opened to a wider sample.

We were asked to look at out of school activities and rewards also being shown on the file.

Next Meeting: Thursday 24 March – agenda "Ofsted"
