Science

February 2010

Dear Parent/ Guardian

As we are sure you are aware, our aim is for all pupils to do their best whilst at Aldridge School. We are particularly keen to ensure that all Year 11 pupils have every opportunity to prepare thoroughly for external examinations and complete coursework to the highest possible standard. Some of you will already have received details of catch up sessions for targeted pupils during February half-term and/or form time. In addition we are now offering a detailed programme of after school revision and catch up sessions, the details of which are enclosed with this letter. We would like to stress that such sessions have been put in to place to help your son/daughter and are offered to pupils of all abilities. In order to encourage as many pupils as possible to attend revision sessions they have been issued with a revision passport which they should take along to each after school revision session. If they have worked well the teacher will sign the card at the end of the hour. Signed cards should be handed in to the appropriate House Office at the end of each half-term and pupils will then be issued with 'Love to Shop Vouchers', the amount will depend on the number of sessions pupils have attended (the equivalent of £1 per hour session). Pupils who have made particularly good progress towards their targets may be offered additional rewards.

Please be aware that Year 11 Progress Evening is on Tuesday 30th March and we hope to see as many of you as possible on this occasion. We hope that you will see our revision/catch up programme as a benefit to your son/daughter and that you will support us and encourage them to attend sessions appropriate to them. Please note that there are many useful revision websites available and there are links to these from the front page of the school website, www.aldridge.walsall.sch.uk.

There will also be revision sessions during the Easter and Whitsun holidays details of which are also enclosed. If you require any further clarification or advice please do not hesitate to contact either Mr Evans, Mrs Morton, Mr Sedgwick or the relevant Guidance Leader.

Yours sincerely

Mr Evans
Assistant Headteacher

Mrs Morton
Deputy Headteacher

Mr Sedgwick
Assistant Headteacher

Achieving excellence together

Aldridge School A Science College is committed to safeguarding and promoting the welfare of children and young people and expects all staff, students and volunteers to share in this commitment.
