Science

7<sup>th</sup> December 2009

Dear Parents/Guardians

We are pleased to enclose you son/daughter's Mock Exam results. These grades have been determined using the mock exams taken earlier on this term, along with some elements of GCSE marks already achieved in external exams, and finally, relevant coursework marks. They are an accurate representation as to what your son/daughter is achieving at the moment.

As you are aware, our aim is for all pupils to their best whilst at Aldridge School. To this end, we are also enclosing details of our extensive programme of after school revision and catch-up sessions, which will begin in January 2010. I would like to stress that these sessions have been put in place to help your son/daughter and are offered to pupils of all abilities. I am sure that you are aware that all of Year 11 have already taken their final Maths and English GCSE exams, and details of revision sessions for those subjects will be determined when the results are published in mid January 2010. Specific Science sessions will be available after February half-term, details of which will also be available at a later date.

In order to encourage as many pupils as possible to attend these revision sessions, all of Year 11 will be issued with a 'Revision Passport'. Should a pupil attend a revision session (and work well), they should ensure that the teacher signs the passport in the appropriate place. Signed cards should then be handed in to their House Office at the end of each half term, when the pupils will be issued with 'Love to Shop' vouchers - £1 for every session attended.

We are currently analysing the Mock Results, and this will identify 'target pupils', who will be directed to specific sessions next term. Pupils and parents/guardians will be notified if they are involved in this process early next term.

There will also be a programme of revision sessions during the Easter and Whitsun holidays, details of which will be published nearer the time.

We do hope that you will see our revision programme as of great benefit to your son/daughter and that you will support us by encouraging them to attend as many sessions as necessary. Please note that there are many useful revision websites available and there are links to these from the Homepage of the School website, [www.aldridge.walsall.sch.uk](http://www.aldridge.walsall.sch.uk). Should you require any further clarification or advice, please do not hesitate to contact wither Mrs. Morton (ext. 280), Mr. Sedgwick (ext 273) or myself (ext. 261).

Yours sincerely,

Mr. P. Evans  
Assistant Headteacher
