Science

March 2010

Dear Parents,

Year 11 Progress Meeting
Goodsell Hall and Goodsell Gym
Tuesday 30 March - 6.30-9.00p.m.

I am pleased to be able to invite you to a Progress Meeting on 30 March at which you will be able to discuss your son/daughter's progress during the past academic year with his/her subject teachers and the prospects for GCSE examinations.

The evening will, as usual, be organised on an appointments system. Please discuss with your son/daughter the teachers you wish to meet (see list overleaf) and ask that they make the necessary appointments with the appropriate staff. Although it is difficult it will be helpful for all of us to keep to these appointment times. If it transpires that a much longer discussion is required, then further arrangements for more detailed discussion can be made. This enables the evening to proceed much more smoothly and delays to be avoided.

The evening is intended for parents. Although parents find it useful for their son/daughter to help as 'guides' it is not usual for them to be part of the interview.

I look forward to seeing you on 30 March. On arrival please sign in using the lists in either A Block foyer or at the rear of Goodsell Hall. Refreshments will be available to purchase in the hall.

Yours sincerely

Mr P Evans
Assistant Headteacher (Director – Year 11)

Achieving excellence together

Aldridge School A Science College is committed to safeguarding and promoting the welfare of children and young people and expects all staff, students and volunteers to share in this commitment.
