March 2010

Dear Parents/Guardians,

Congratulations on the success of your son/daughter with their application for University via UCAS.

Many of our students have heard back from their universities with regards to being accepted for the Academic Year Sept 2010.

Along with the excitement of the acceptance comes the worry of Student Finance.

I am writing to let you know that we have set up a training programme for our students so that they can be shown how to apply for Student Finance correctly. This training session will be taking place on Monday 26th April. It is vital that your son/daughter attends this training session.

I also distributed a 'Student Finance in 3 easy steps' booklets to students before the February half-term holiday. If you require another booklet, please do not hesitate to get in touch. This is both a parental and student guide.

There are simply 2 ways you can apply for student finance. The first way is online using the following link;

http://www.studentfinance.direct.gov.uk/portal/page?_pageid=153,4680119&_dad=portal&_schema=PORTAL

or the other way is to download a PN1 form from the following website and fill the form in by hand. Either way is suitable.

If you require anymore information regarding this matter, please do not hesitate to contact me and I will try to be as helpful as I can or alternatively contact the following number at Student Finance 0845 300 50 90.

Yours sincerely
