

February 2013

Dear Parent/ Guardian

The main Yr11 examination period is now fast approaching. With this in mind I would like to remind all parents/guardians that the school is currently offering a comprehensive after school revision programme (see over). Our aim, like yours, is to ensure that your son/daughter achieves the grades of which they are capable, attendance at these revision sessions will help maximise their chances of success.

A list of revision sessions that will run during the Easter and Whitsun closure periods will be forwarded to you after half term.

All of this information can also be obtained via the front page of the school website. Please encourage your son/daughter to draw up a revision schedule and to attend as many sessions as possible.

Please also note that there are many useful revision websites available and there are links to these from the front page of the school website www.aldridge.walsall.sch.uk.

If you require any further clarification or advice or have any questions or concerns please do not hesitate to contact either myself, Mr Evans or the relevant Head of House at school.

Yours sincerely

Mr S Sedgwick
Assistant Headteacher

Your future starts here
